## MESSAGE FROM OUR PRESIDENT

# President Anthea Penny

2026-2028

SI South East Asia Pacific  
EMPOWERING FUTURES

President Elect Oyungerel and I are pleased to announce the launch of the **Federation Women's Health Campaign**, "**Her Health - Our Wealth**", an initiative to strengthen Soroptimist action on the health issues affecting women and girls across our regions and countries.

The campaign will be **Federation-supported and locally led**. Regional and national leaders are currently being invited to identify their priority women's health issue and work with clubs to develop practical responses based on local needs.

A small **Federation Health Campaign Committee** is being established to support the campaign by providing guidance, resources, communication and opportunities for regions and clubs to share their work and learning.

#### Stop Scrolling – Find What You Want Quicker!

You've landed on the SISEAP website, but where do you start? How do you find the SISEAP emblem or logo, an article about CSW, or the latest M2M campaign materials? Perhaps your club wants to make a donation to the Brilliant Futures Fund, but you're not sure where to find the information.

Instead of scrolling through the website, there is now a new **guide to searching the website** to help you find what you're looking for quickly and easily. The guide also includes a handy navigation guide to the Members Area.

Download the guide and share it with your members so everyone can make the most of the SISEAP website.
