

## SISEAP Recruitment Incentive (January – June 2026)

We are excited to launch a special **Recruitment Incentive Program** to reward members who help grow our Soroptimist community. Strong membership means stronger advocacy, more impact, and a brighter future for women and girls.

### How It Works

- Any **existing member** who recruits a **new member between 1 January and 30 June 2026** will receive a reward towards their **2027 annual membership fee**.
  - For **General/Linked members**: AUD \$10 discount per new recruit.
  - For **all other membership categories**: 10% discount of the full annual fee per new recruit.

### Important Details

- To qualify, the **new member must maintain their membership throughout 2026 and renew again in 2027**.
- The **recruiter must be listed on the new membership form at the time of joining**. Recruiters cannot be added or changed at a later date.
- This incentive applies to **any new member**. If a person is a **previously exited Soroptimist** and it has been **over 1 year since they exited**, the recruiter is still entitled to receive the incentive.
- Each member can receive the discount for **up to four new recruits** during this period.
  - Maximum discount: **AUD \$40** (or equivalent in discounts for other categories).
- This incentive **does not apply to new club charters**.

### Why Take Part?

- Help strengthen our organisation by welcoming fresh ideas, new energy, and committed members.
- Support our mission of empowering women and girls through education, advocacy, and opportunity.
- Enjoy a membership discount as a thank-you for your contribution.
